FROM RUSSIA WITH LOVE - MARIE BRENNAN

Flowerfield Arts Centre, Portstewart

Causeway Coast & Glens Borough Council hold a fine collection of work reflecting some of the creative talent associated with the area. The collection was curated by the Causeway Coast Arts Committee and the work includes painting, sculpture, prints, glass, ceramics and woven willow basketry. An altogether beautiful collection of work by very talented artists, who are mostly local to the North Coast. A selection of the work is currently on display in the Upper Gallery at Flowerfield.

Marie Brennan takes you on a journey to the winter snow filled streets of the beautiful city of St. Petersburg in Russia, portraying a fascinating photographic insight of this marvellous city.

Well known for her unique style of simplicity and creativeness in her spellbinding photography, Marie encapsulates the dramatic atmosphere and certain mystique showing unquestionably the splendour of this amazing city, St Petersburg also fondly known as the cultural capital of Russia or as many Russians call it "The Venice of the North".

NORTH BY NORTH

Riverside Theatre, Ulster University, Cromore Road, Coleraine, BT52 1SA

North by North is an exhibition of new work by multi-disciplinary artist Jonathan Brennan created specifically for the Riverside Theatre in Coleraine. Working in pen and ink, print, photography and digital, Brennan has been travelling around the 'Causeway Coast & Glens' area over a series of months making images of things that inspire him. From past and present man-made constructions – the Mesolithic site at Mountsandel, an ice house near Fair Head, street signs, shops and local typography – to natural phenomena – untouched beaches, flora and fauna on cliff top paths, disappearing lakes – as well as delving into music, characters and the artist's personal travelogue, the show is a fresh perspective on known and lesser known places in this part of the world.

The title refers to the often overlooked area that the exhibition focuses on, in the north of Northern Ireland; and also how the artist, originally from Dublin, is looking at the north as someone who has made his home here.
